Message from the Chairman

As the Chairman of the Bandarban Hill District Council, it is a matter of great pride and significance to introduce the "Lushai A A W B Zirtan Bu". Language is the heartbeat of any culture, and for the Lushai community in Bangladesh, preserving our mother tongue is essential to maintaining our unique identity among diverse ethnic groups.

This book serves as a vital bridge for our younger generation, offering a systematic approach to learning the Lushai alphabet, vocabulary, and cultural values. By documenting our linguistic heritage through such educational initiatives, we empower our children to stay connected to their roots while navigating a modern world. I commend Rev. Dr. Rosanglura Fanai for this noble endeavor.

I hope this book will be very useful for taking the primary lessons of the Lushai language.

Acknowledgment

It has been a profound privilege to assist in the publication of "Lushai A AW B Zirtan Bu". Echoing the sentiments of the Honorable Chairman, BHDC, I believe that protecting our linguistic heritage is a collective responsibility. I wish to express my deepest and most sincere gratitude to the author, the dedicated data collectors, and every individual whose tireless cooperation and research made this edition possible.

Compiling these alphabets, traditional stories, and cultural images required immense dedication to ensure accuracy for our future learners. Our goal was to create a resource that is both educational and culturally resonant. If this book can play even a minimal role in the learning and preservation of the Lushai language, then my efforts in this endeavor will be truly successful.
